Notification of Privacy Rights We collect personal information about you to improve our services for you. We are required by law and organizations that fund us to collect and share certain personal information. Some of the information you provide will be entered into a Memphis-area database accessible by public agencies and departments in Memphis in an effort to coordinate and improve city-wide services in the future. This information includes your name, gender, date of birth, Social Security Number, veteran status, ethnicity, race, and whether you have a disabling condition (the condition will not be listed). Individually identifiable health information will not be entered into the database. As required by law, the database will be protected by appropriate security measures and will only be accessible to authorized Memphis database users and as otherwise required by applicable law.

Your eligibility to receive services from Room In The Inn will not be conditioned on whether you sign this consent. You may choose not to sign this consent. You can revoke your consent at any time. However, your revocation will not be effective to the extent that we have already acted in reliance on your consent.

The information that I have given on this form is correct to the best of my knowledge. I have read the above "Notification of Data Disclosure and Privacy Rights." By signing below, I expressly authorize and consent to Room In The Inn-Memphis providing my personal information to the Memphis-area database accessible by Memphis authorized users.

I give permission for the information on this recuperative care referral form to be shared with Room In The Inn.
