

2021-2022 Annual Report

Sheltering those experiencing homelessness in a safe environment of hospitality

From the Executive Director

One of my favorite prayers from Dutch theologian Henri Nouwen begins, "I am full of wishes, full of desires, full of expectations." Many of my mornings at Room in the Inn begin with these words. Our guests inspire us to dream of a future where every man, woman and child has a place of safe shelter. As we have emerged from a place of isolation the needs of those most vulnerable have become a challenge that is greater than ever before. Through sacrificial giving of our donors and volunteers lives are changed, wishes are voiced, desires become realities and expectations are a source of inspiration. I am filled with thankfulness for a community that offers hope and healing as we work together to end homelessness for each guest we serve.

Join me in reflecting on a year of incredible successes and in dreaming about those opportunities that are ahead.

Peace,
Lisa Anderson

CONGREGATIONAL SHELTER

A network of over 50 diverse congregations open their doors to provide food and shelter to people who are experiencing street level homelessness November-March each year. Guests are safely indoors during the brutal months of winter.

FAMILY INN

Families experiencing homelessness live in the privacy and comfort of a temporary home as they work toward permanent housing. During their stay families receive meals and supportive care as they work on long term goals for their family. Educational and counseling programs for adults and children are available.

RECUPERATIVE CARE

Unsheltered individuals who are medically fragile and in need of a safe place to recover from illness stay in private rooms with 3 meals a day. The staff coordinates care with medical providers and assists with the guests' housing goals. Opportunities for occupational coaching and counseling as well as physical strengthening are part of the recovery process.
